

THERMO DYNAMICS LTD.

SOLAR COLLECTOR LIMITED WARRANTY

Thermo Dynamics Ltd. (TDL) expressly warrants your new solar collector and its components to be free from defects in material and workmanship for a period of ten years from the date of purchase. This warranty applies to TDL solar collectors purchased from TDL or an authorized dealer.

If a defect in material or workmanship becomes evident within the limited time period of the warranty, TDL will repair or, at its option, replace the defective component. The owner is responsible for the return of the faulty component to TDL, freight prepaid, and costs for labour to remove faulty components and install new/ repaired components. All freight charges are paid by the owner.

Exclusions:

TDL shall not be liable for consequential damages (such as damages to your home, loss of time or loss of use of the product), any incidental expenses resulting from any breach of any express or implied warranties, or transportation charges.

This warranty does not extend to anyone except the first purchaser at retail and applies only when the collector is in the original installation.

The above warranty does not apply:

- a) to conditions resulting from a defect in a part which is not supplied by TDL.
- b) to conditions resulting from failure to provide reasonable and necessary maintenance in accordance with the TDL installation manual.
- c) to conditions resulting from departure from TDL installation instructions.
- d) to conditions resulting from misuse, abuse, negligence, accident, alteration, excessive pressure, corrosive fluid or atmosphere, floods, fire, or acts of God.
- e) to solar collector glass.
- f) if any heat transfer fluid, not specifically approved by TDL, is introduced in the system.

Unless otherwise explicitly agreed to in writing, it is understood that these are the only express warranties given by TDL. TDL does not authorize anyone to assume from the warranty, any other obligations or liability in connection with the system components.

If inspection by TDL does not disclose any defect covered by this warranty, the equipment will be repaired or replaced with the permission and at the expense of the customer, and TDL's regular charges will apply.

Service:

To obtain service for your solar collectors, notify the dealer who installed or sold the system. In notifying your dealer, provide identification of your component (serial number, model number, etc.), date of purchase (with proof) and the nature of the defect.
